Data Sheet - **X75A**

Turn on the thrill with all-new features

Classic Cover Design

The ASUS X75A provides a matte surface with classic suit pattern that demonstrates simplicity, realism, and originality.

Powered by 3rd Gen Intel® Core™ Processor

Equipped with the latest Intel ® Core i3 or Pentium™ processors and all new Windows 8 the ASUS X75A delivers the best mobile performance in its class, be it for work or play.

Stay comfortable with IceCool technology

Exclusive ASUS engineering has created a unique internal layout that keeps heat away from palm rests and from users. Always below body temperature, palm rests feel cool to the touch, and are therefore more comfortable to use even during long sessions.

Smartphone-like responsiveness with instant on*

Only ASUS notebooks offer you true 2-second instant on resume from sleep or hibernate, cutting out long reboot times and putting you back to work or enjoyment right where you left off. Thanks to ASUS Super Hybrid Engine II technology, you also get up to 12 days of standby, with auto data backup should battery charge drop to 5% or less.

X75A-TY046H

Processor	Intel® Core™ i3-2370M (3M Cache, 2.40 GHz)
OS	Windows 8 (64bit)
Display	17.3" LED-backlit TFT LCD Display resolution: HD+ 1600x900
